## **PRESS RELEASE**

Date: May 5, 2022

For Immediate Release

### **JETNET iQ Summit to Focus on Sustainability**

UTICA, NY - JETNET, the world's leading provider of business aviation data, has announced their 2022 JETNET iQ Global Business Aviation Summit. The 11th Summit will be held September 15-16th, 2022 at the New York Marriott Marquis in Times Square.

This year's Summit theme is "Bluer Skies. Greener Future." Attendees will have the chance to hear from the "Who's Who" of business aviation. The industry's top leaders will discuss the complexities of the present, as well as the philosophies and actions required to achieve a sustainable future. Key perspectives from experts such as analysts, brokers, and C-level executives will be delivered during panel discussions and speaker events. The Summit will also allow attendees time to meet their contemporaries, network, and develop topics outside of scheduled sessions.

Two-tiered pricing has begun with a discounted Early Bird Registration rate for the JETNET iQ Summit, a \$200 savings, and is available through May 16th, 2022. Beginning May 17th, 2022, through September 1st, 2022, pricing for attending the event will be \$1,445 USD. Registration can be found at [jetnet.com/summit](http://jetnet.com/summit).

### **Cancellation Policy**

Refunds will be 50% for cancellation notices received prior to August 1st, 2022, and 0% thereafter.

### **About JETNET iQ**

Summits are part of JETNET iQ, an aviation market research, strategy, and forecasting service for the business aviation industry. JETNET iQ also provides independent, Quarterly intelligence, including consulting, economic and industry analyses, business aircraft owner/operator survey results, and new aircraft delivery and fleet forecasts. JETNET iQ is a collaboration between JETNET and Rolland Vincent Associates LLC of Plano, Texas, an aviation market research consultancy.
